NATIONAL STUDENT SCHOLARSHIPS

Humber offers scholarship opportunities for select international students.

INTERNATIONAL ENTRANCE SCHOLARSHIPS

The application period for the September 2023 Application Form has ended, and the top twenty applicants have been selected and notified of their selection for the award.

INTERNATIONAL ENTRANCE SCHOLARSHIPS - 2024

New students starting their Diploma and/or Advanced Diploma studies are eligible for consideration for an international entrance scholarship at Humber. This scholarship offers a CAD 2,000 reduction in tuition fees during the first two semesters of study (CAD 1,000 per semester).

Further details of this scholarship are:

1. Humber may consider high school students who have demonstrated academic excellence for the international entrance scholarship, but due to the limited number of scholarships available, only those with the highest GPA (Grade Point Average) will be awarded. Humber's admissions team will calculate the GPA based on the high school transcripts received during the admissions assessment process. No separate application is required for the International Entrance Scholarship, as the awards are automatically granted to eligible candidates after they commence their studies.

2. A total of 20 scholarships will be awarded to new students starting in September, 15 scholarships will be awarded to new students starting in January, and 5 scholarships will be awarded to new students starting in May. Per every starting semester, each recipient must come from a different country. In other words, no more than one student from any single country may receive the award within the same starting semester.

3. The award will be applied towards the student's MyHumber account as a credit after the 10th day of classes in two instalments of CAD 1,000. Both payments will be applied to the second semester. The scholarship recipient is still required to pay the full amount for the first semester.

4. Only successful recipients will be notified after the Day 10 of their 1st-semester studies.

BACHELOR'S DEGREE SCHOLARSHIPS

Bachelor's Degree scholarships are available to students coming directly from high school/secondary school studies, who are non-transfer students (i.e. haven't attended college or university, or studied in Humber's EAP program), and are unlimited in quantity.

Humber awards degree scholarships automatically to graduating high school students based on academic achievement.

Humber's Terms and Conditions of Degree Scholarships

Bachelor's Degree Scholarships for EAP Graduates

Graduates of Humber's English for Academic Purposes (EAP) program with a GPA of 80% or higher in Level 8, who are applying for a Bachelor's Degree, will be eligible to receive a one-time non-renewable scholarship of \$1,500.

AWARDS for EAP GRADUATES

Graduates of Humber's English for Academic Purposes (EAP) Certificate Program (Level 8) are also eligible for awards.

These awards are based on the following criteria:

- GPA
- Significant improvement in all areas of English language development, and
- Characteristics of respect, support, and cross-cultural communication within the Humber community.

These awards are only available to EAP graduates who have begun a degree program at Humber College. EAP graduates do not need to apply for these awards. Faculty nominates recipients each fall semester, and the recipients are notified in November.

Deadline: Multiple scholarships are awarded throughout the year. See website for details.

Value: \$500

APPLICATION PROCESS

Admission requirements for Humber depend on your home country and your current level of education. Some programs may require additional documents such as a portfolio, writing samples, questionnaires, etc. Follow the steps below to begin the application process!

Pre-Departure:

Find out if you require an Electronic Travel Authorization (eTA)

New entry requirement now in effect: visa-exempt foreign nationals who fly to or transit through Canada need an Electronic Travel Authorization (eTA). Exceptions include U.S. citizens and travellers with a valid Canadian visa. Canadian citizens, including dual citizens, and Canadian permanent residents cannot apply for an eTA.

[More Information](#)

Step 1:

Pick a Program and Confirm Availability

Admission to Humber can be competitive. We receive significantly more applications than we have spaces available. Final program availability is based on when your application is processed and not when your application is submitted. View the following link to see current program availability. Programs that are not available for conditional offers have a limited capacity and fill very quickly.

[Program Availability](#)

Step 2:

Proof of Academic Standing

We require scanned copies of original certified secondary school graduation transcripts for diploma and degree programs, and any college or university transcripts for postgraduate programs and degree programs. All documents must be accompanied by a notarized, official translation into English (where applicable). International applicants may be asked to submit an ICAS or WES evaluation.

If you are in your final year of high school or college/university, please include a letter from your institution indicating program completion date

[Admission Requirements Search International Admission Requirements by Program English Language Proficiency](#)

Step 3:

Additional Program Requirements

Additional requirements may include a portfolio, audition, letter of intent, references, etc., and vary by program. View program pages for detailed info on these requirements, where applicable.

[Program Search](#)

Step 4:

Review Tuition/Fee Schedule

Full tuition must be paid by the deadline indicated on your offer letter. If you do not pay the full amount by the deadline, your offer may be withdrawn.

[Fees Refund Information Scholarships](#)

Step 5:

Allow for Appropriate Processing Times

We prioritize applications that include all documents required to make an admission decision. Please review the admissions requirements by country to ensure all documents are submitted.

[Apply Now](#)

Step 6:

After Acceptance

You have received your letter of acceptance and you are preparing to come to Canada.

Confirm Your Interest to Attend Humber College Pay Your Tuition Apply for Your Study Permit Apply for Your Study Permit Using the Student Direct Stream Program (available to students in China, Vietnam, Philippines, and India) Upload Your Letter of Introduction or Your Study Permit Register for Courses Attend Orientation Virtual Passport

Search by International Admission Requirements

View and compare up to 3 program admission requirements

Enter your location then choose up to 3 programs to view admission requirements and international academic equivalencies. If you meet the requirements and are interested in the program, click through to view the program page and details.

Admission equivalencies for Humber depend on your country of study. Please enter your location or choose detect my location to see the requirements for your country below.

Highly competitive programs typically require a higher grade point average (GPA) than the minimum requirement in order to be considered for admission to one of these programs. Access our list of highly competitive programs.

TO HUMBER

After Acceptance

Congratulations on your acceptance to Humber College Institute of Technology & Advanced Learning! You've started a journey that's going to take you to a new country and school, leading you along a path to a fulfilling and exciting career. It promises to be a great experience and the international Student Service team is here to guide you through a positive learning experience.

YOUR VIRTUAL PASSPORT TO HUMBER

To help prepare you we have designed a series of modules to assist in your adaptation to your new environment. These modules will cover everything from how to apply for your immigration documents, to how to get around the Greater Toronto Area (GTA), to what to expect in your first days at Humber. This online orientation has been created to support the on-site orientation sessions that are scheduled the week prior to each semester. Once you've read through all of the modules, we encourage you to take the "Fun Quiz" where you will have a chance to win free movie gift cards.

LANDING IN CANADA - UPON ARRIVAL

Arriving at the Airport/Port of Entry

Have your documents ready

When you arrive at the airport or port of entry you should be ready to present the following documents:

- Your original letter of acceptance to Humber
- A valid passport
- Temporary Resident Visa (TRV) if required
- The letter of introduction given to you by the Canadian Embassy, High Commission or Consulate
- Document showing financial support
- Citizens or residents of the United States, Greenland, and St. Pierre et Miquelon can apply for their study permit at the port of entry with all of the appropriate documents
- Any other documents recommended by the visa office where you applied

Note: When handed your study permit, check that your personal information as well as the expiry date are correct.

Canada Customs

When you enter Canada you can bring a reasonable amount of clothing, books and other personal items.

If you're bringing more than \$10,000 CAD into the country, you must report the money.

Canada Border Services Agency

Checking In

Getting to Humber

Once you arrive in Toronto, the easiest way to get to Humber is by taxi. Approximate travel times and taxi costs to Humber's campuses from the Toronto airport are:

- North - 10 minutes (\$35 CAD)
- Lakeshore - 20 minutes (\$40 CAD)
- Orangeville - 50 minutes (\$100 CAD)

Call a Taxi Campus Maps

Visit the International Office

When you arrive at Humber, be sure to visit the International Centre offices so we can introduce ourselves.

We will ensure that you have everything you need to be successful in your journey here at Humber. Please make sure you bring your valid immigration documents (passport and study permit), as Humber is required to have a copy of these items on file. You will also be required to provide Humber with your local address and emergency contact information before the start of classes.

Immigration Canada

Attending Orientation

A formal orientation is offered for all of Humber's academic programs. This is a great way to meet teachers and fellow students while learning what to expect from your program. We strongly recommend attending

orientation as it eases the stress of the first week of classes. Orientation usually begins the week before classes start and this information will be emailed to you in advance.

Orientation Schedule

International Students Welcome

To welcome international students to the Humber community, International Student Services offers a series of workshops and events designed to help ease the adjustment to a new life and a new country. You can also attend workshops such as: Health Insurance Support, Co-op/Post Grad Work Permits and employment readiness. You will also have the opportunity to take part in social events that will help you get to know your fellow students and to discover your new city, including trips to Niagara Falls and the CN Tower, downtown walking tours of Toronto, movie nights and sporting events.

HEALTH CARE AT HUMBER

To ensure that all international students at Humber have access to basic health care while studying at Humber, health care insurance is mandatory for all international students. For all full-time, fee-paying, international students, the cost of this basic health care insurance is included within the tuition fees.

International students at Humber are covered by two insurance plans:

International OHIP Alternative/Morcare

IGNITE Extended Health and Dental

HEALTH CARE AT HUMBER

To ensure that all international students at Humber have access to basic health care while studying at Humber, health care insurance is mandatory for all international students. For all full-time, fee-paying, international students, the cost of this basic health care insurance is included within the tuition fees.

International students at Humber are covered by two insurance plans:

1. International OHIP Alternative/Morcare
2. IGNITE Extended Health and Dental

COVERAGE UPON ARRIVAL

Travel Insurance

Humber coverage is effective only from the first day of classes, not from your date of arrival in Canada. Therefore, if you arrive before the start of classes, it is strongly recommended that you purchase travel insurance, including health care insurance, to cover yourself until the first official day of classes.

COVERAGE WHILE YOU ARE AT HUMBER

International Students

International students are covered under the college health insurance plan from the first day of classes. The insurance fee is pro-rated based on the semester you begin your studies, i.e., September, January or May. The health care insurance is a basic package that is subject to change on an annual basis. It is important to emphasize that not all health conditions are covered.

Please note: Returning students who opt to take the Fall term (September) off will not be covered until the semester they return to school.

Review Your Coverage

International students are strongly urged to review their coverage information and purchase additional ins

urance coverage as appropriate. If you have any questions, please contact a Humber International Student Advisor (ISA) in the International Office.

This health insurance coverage is for international students only. It does not include spouses or children. If you have a spouse and/or dependents, you may wish to pay a supplemental fee and purchase insurance. Arrangements for adding family members are made directly with Morcare, our health insurance provider.

The option to add family members will not be available until the start of the semester. A link will appear on the landing page <https://wespeakstudent.com/home/11-humber-and-guelph-humber> for a limited time.

Humber MORCARE Insurance Coverage International Student Services

IGNITE HEALTH AND DENTAL INSURANCE

International students are also covered by IGNITE Health and Dental Insurance Plan.

IGNITE Health and Dental Insurance

THE HUMBER HEALTH CENTRE

Health & Counselling services at Humber are confidential and available to all registered students. Our goal is to promote student success by providing care that supports well-being.

Humber Health Centre

ON-CAMPUS RESIDENCE

Humber provides on-campus residence for more than 1,450 students at our two Toronto campuses. Applying for a room in residence is a simple process. Once you have been accepted to study at Humber you may apply to live in residence with the International Student Residence Application form.

NOTE: On-Campus housing is limited and is offered on a first-come, first-served basis. Once you receive a room in residence you will be required to provide a \$500 deposit to the Humber Residence Department. The \$500 is non-refundable' please do not pay until you have been assigned a residence room.

Learn more Application Contact us

STUDENT HOMESTAY SERVICES

Students looking for a welcoming place to live and wanting to add an enriching element to their Canadian experience can consider a homestay option. Homestay providers coordinate accommodations with a host family, which helps ease the transition into life in a new country.

Student Homestay Services Canada Homestay Network Homestay Plus Homadorma

Humber does not recommend any particular homestay provider and is unable to review the host families and their homes. Students should do their own evaluation of each homestay provider.

Please note that the International Centre is not responsible for the information provided by homestay providers. The prices and conditions are not part of Humber College's tuition and should be negotiated directly by the student with the homestay provider.

OFF-CAMPUS HOUSING/RENTING

There are many options for living off-campus. Please note that the International Centre is not responsible for the information provided by Places4Students and other renting websites. The prices and conditions are not part of Humber College's tuition and should be negotiated directly by the student with the housing provider.

CODE OF STUDENT CONDUCT

Humber College's Code of Student Conduct outlines individual and community expectations regarding student actions and behaviour. The Code defines that students are responsible for acting in a manner that respects others and promotes their well-being and safety.

View the Humber College Code of Student Conduct

ACADEMIC REGULATIONS

The Academic Regulations apply to all students within Humber, and all current students enrolled in any program or course offered by Humber, in any location. These policies and procedures outline the requirements students need to fulfill in order to uphold their academic responsibilities. It also provides an outline of the processes involved in resolving issues when an informal resolution is not possible.

Of note: Students enrolled in the UNB/Humber Collaborative Bachelor of Nursing Program and the University of Guelph-Humber programs are subject to the Academic Regulations and Policies pertaining to these programs.

[View the Academic Regulations at Humber College](#)

ACADEMIC INTEGRITY AT HUMBER

Academic honesty is central to the learning environment enjoyed by all members of The Humber College Institute of Technology and Advanced Learning (hereafter referred to as “Humber” or “the College”) and an expectation of all Humber applicants, students, faculty and staff. A breach of academic honesty is considered to be an offense against the academic integrity of the learning environment. This policy is intended to ensure adherence to Humber’s standard of honesty and scholarly integrity in all activities relating to teaching, supervision, research, administrative and consultative work of faculty and staff and to protect the academic integrity of the institution.

Disclaimer

Canadian immigration laws are always subject to change. For the most up-to-date information, please refer to the official website of Immigration, Refugees and Citizenship Canada (IRCC).

The website was prepared by a Regulated Canadian Immigration Consultant (RCIC) in compliance with the Canadian Immigration and Refugee Protection Act. This is for informational purposes only and does not constitute legal advice. Immigration laws and procedures change frequently, and so the requirements and procedure for working while studying may have changed. This page was updated on July 01, 2022. This page is intended for students of Humber College; the information contained herein may not be applicable to students at other academic institutions.

WORKING WHILE STUDYING AT HUMBER

As an international student, if authorized, you are allowed to work while you are studying. Before you start to work in Canada, you must obtain a Social Insurance Number (SIN).

How do I apply for a Social Insurance Number (SIN)?

You can apply for a Social Insurance Number online on the Service Canada website.

You need a Social Insurance Number (SIN) from Service Canada to work in Canada or to receive benefits and services from government programs. You must have a condition or remark similar to below printed on your study permit in order to apply for a SIN:

- "May work 20 hours/week off-campus or fulltime during regular breaks if meeting criteria outlined in section 186(v) or IPRP."
- "May accept employment on or off campus if meeting criteria eligibility criteria as per R186(f), (v) or (w)."
- "Must cease working if no longer meeting these criteria."

If your study permit does not have one of the above conditions or remarks, you can submit a request for an amendment to your study permit before you can apply for a SIN. There is no fee for this request.

Visit the Government of Canada website for more information on amending your study permit conditions.

If your study permit states: "This permit does not permit the holder to engage in off campus employment in Canada", you must apply to change the conditions of your study permit and pay the applicable fee (\$150).

Working Off Campus

Before you start working, confirm that your study permit is: 1) valid for postsecondary studies and 2) verify that your study permit allows you to work on or off-campus. You can only start working in Canada once your study program has started.

You can work off-campus up to 20 hours per week if you meet all the following conditions:

- You are enrolled as a full-time student in an eligible program at the College (English for Academic Purpose studies are not eligible to work off-campus), or
- You are enrolled part-time in the last semester of your study and you don't need a full course load to complete your program; and you were a full-time student up until the last semester, and
- You have a valid study permit, which states you "may work" or "may accept employment" on or off campus

You can work full-time hours if:

- You're on a scheduled break from your program, and
- You are registered as a full-time student immediately before and after the break

You must stop working off-campus if:

- You drop to part-time and this is not your last semester, or
- If you are on an authorized or unauthorized leave from your study

Working on Campus

Finding a job on campus while you are a student is a great way to gain valuable work experience, develop transferable skills for employment, and learn about resources and services available at Humber College.

Learn more about applying for a workstudy position from Advising & Career Services.

On-campus work includes working at any of our College campuses, including: Athletics, Student Life Programs (Orientation, Leadership, Residence, First Year Experience), Peer Programs (peer mentors, peer tutors), Indigenous Education & Engagement, Counselling, Accessibility Learning Services, Student Wellness and Accessibility Centre (SWAC), Student Events, Public Safety, International Centre, Library, Facilities,

Recruitment (campus tour guide), IGNITE, as well as the academic faculties.

Humber will allow students to work on-campus 24 hours per week.

For more information, see the Government of Canada website: [Work on Campus Work off Campus](#)

How do I apply for a Co-op Work Permit from inside Canada?

If you are in a program that requires you to complete a co-op, placement, internship, or practicum, you must have a Co-op Work Permit before you begin. The Co-op Work Permit is valid only for the work placement approved by Humber.

See Humber College's guide to get you started on your Co-op Work Permit application

Can I continue working after my program ends?

- If you meet on/off-campus work conditions, you can continue working 20 hours per week under your Study Permit until your Confirmation of Graduation is issued (COG).
- Once your COG is issued, you are no longer allowed to work (0 hours). Your COG is scheduled to be released 5 to 6 weeks after your final grades have been submitted as per the Academic Calendar. Check My Humber under Student Records daily to see if it is released.
- After you apply for your PGWP, you are allowed to work full-time if you meet certain conditions.

How do I find a job in Canada?

International students can visit the Humber Career Centre to see job postings and for help with resumé writing, cover letter reviews, and mock job interviews.

Information for Employers: Working Eligibility for International Students While They Are Enrolled at Humber College

Working on-campus

Students may work on-campus without a work permit while they study at Humber College if they:

- Have a valid study permit, and study permit lists a condition that says they are allowed to work on-campus
- Are registered full-time; a student registered part-time in their very last semester who have maintained a full-time course loads for all previous semesters without any unofficial breaks, may still be eligible to work
- Have a valid Social Insurance Number

Work hours for on-campus employment

- Positions during the traditional academic year (Sept-April): you can work a maximum of 24 hours per week
- Positions during the traditional Summer semester break (May-Aug) can be full-time to a maximum of 40 hours or part-time to a maximum of 24 hours

More information is available on the Government of Canada's Work On Campus as an International Student page.

Working off-campus

Students may work off-campus without a work permit while they study at Humber College if they:

- Have a valid study permit, and study permit lists a condition that says they are allowed to work off-campus
- Are registered full-time; a student registered part-time in their very last semester who have maintained a full-time course loads for all previous semesters without any unofficial breaks, may still be eligible to work
- Are enrolled in a degree, diploma, or certificate program that is at least six months long and have already started the program
- Have a valid Social Insurance Number

Work Hours

Students may work up to 20 hours per week during their regular full-time academic sessions and may work full-time during their regularly scheduled breaks.

More information is available on the Government of Canada's Work Off Campus as an International Student page.

Working Eligibility for International Students Transitioning From a Student to a Post-Graduation Work Permit Holder

Maintained status

International students who have applied for a Post-Graduation Work Permit may start to work full-time until

If the decision is made as per s.186 (w) of the Immigration and Refugee Protection Regulations (considered as maintained status) if they:

- had a valid study permit when they submitted their application
- completed their study program, and the PGWP application was submitted within 90 days following the completion of their program of study
- were eligible to work off campus without a work permit while studying and they didn't work more hours than they were allowed to

Social Insurance Number and Maintained Status

If a temporary resident (i.e. international student or foreign worker) applies for renewal of their work or study permit and their permit expires before a decision is made, they can continue working or studying under the same conditions while their application for renewal is being processed, as long as they remain in Canada. This is referred to as "maintained status"; as per paragraph 186(u) and section 189 of the Immigration and Refugee Protection Regulations. For more details, please visit the Government of Canada's Employer Information – Social Insurance Number (SIN) page, and refer to the subsection titled "Before extending employment for your employee".

ONECard

Your ALL-IN-ONE identification, access, and payment solution

Introducing the Humber and University of Guelph-Humber Virtual ONECard

Your virtual ONECard is one of the most important and convenient digital tools you'll need while at Humber and at University of Guelph-Humber. ONECard will be your official identification and it will grant you access to campus services easily and immediately. You can also use it as a payment method to purchase products and services on-campus. ONECard is a transformative initiative designed to consolidate many on-campus solutions into a single digital app that is both easy-to-use and secure.

One solution. One digital app. ONECard.

GRADUATION & ALUMNI

We endeavor to ensure that Humber international students receive the best possible education and experience during their time in Canada. This does not end at graduation, and Humber alumni will always have a place in our community.

GRADUATION

International students should be aware of two important dates regarding graduation:

- Graduation document availability
- Convocation ceremony

The first date is approximately five weeks after the end of each semester. Graduation documents (Confirmation of Graduation letter and final transcript) become available at this time (typically, the beginning of February, May, and October). These graduation documents are required for post-graduation work permit application.

The second date is Convocation, a ceremony where graduates celebrate their academic accomplishments with their classmates, professors, as well as friends and family members. This event occurs in June and November each year.

GRADUATION DATE AND TIMES

The academic calendar publishes convocation dates far in advance: <http://www.humber.ca/admissions/academic-calendar>

In the months before the ceremony, visit <http://www.humber.ca/convocation> for the most up-to-date information.

INVITING FAMILY AND GUESTS

All graduates are allowed to bring up to two guests to convocation.

If your family members need a temporary resident visa to come to Canada, then you can provide a formal invitation to support their visa application.

You will need to provide them with a letter of invitation. The letter of invitation is written by you, not Humber. For more information on what to include in the letter go to <http://www.cic.gc.ca/english/visit/letter.asp>.

You can use the links above to provide convocation dates to include in the invitation letter.

As part of the documentation for your situation, you should include a Confirmation of Enrollment letter. You can order this through your MyHumber account. The Confirmation of Enrollment letter will indicate your expected completion date.

If your family is unable to attend, then your family can stream your convocation live at humber.ca/watch-convocation/.

GRADUATION AND BEYOND

THE FUTURE IS YOURS

Since its founding in 1967, Humber College has shaped tens of thousands of graduates from our broad variety of respected programs. We are proud to welcome students from all parts of the globe to study with us and further their education and careers. Thousands of talented and dedicated students just like you have made the move from across continents and oceans to add to our school's strong reputation and to better themselves and their communities. As one of our alumni, and as an international student, you hold a special place in the history of Humber College.

ABOUT THE ALUMNI PROGRAM

The Humber International Alumni program aims to keep in touch with our graduates after they have made the next move in their lives and to give you the chance to share your expertise, experience and passion with

th our support system for new international students.

Alumni Services Website

Through the Alumni Services Website, you'll be able to communicate with the people who have helped to enrich and invigorate your years spent here at Humber while new students will have the chance to ask you for your unique perspective on Humber and Canada. We thank you for helping keep the tradition of mutual encouragement and support thriving at Humber.

Alumni Services

Alumni Listserv

Graduates on the International Alumni listserv will receive updates and the iAlumni newsletter by e-mail.
